

Color Key and Histogram

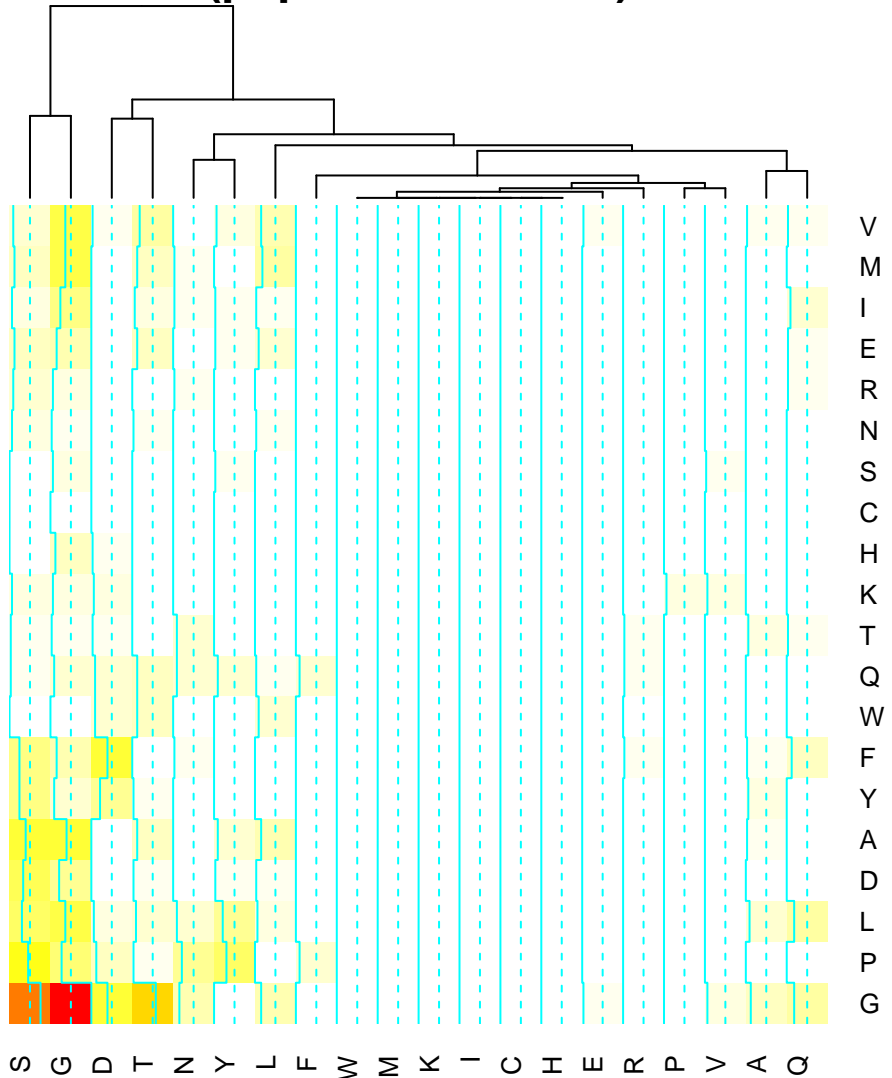

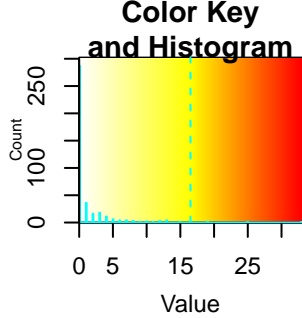

(peptide – vertical)

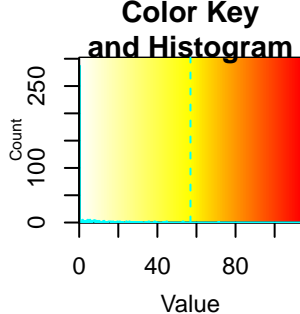

Interaction matrix for amino acids in beta chain (reordering allowed) (peptide – vertical)

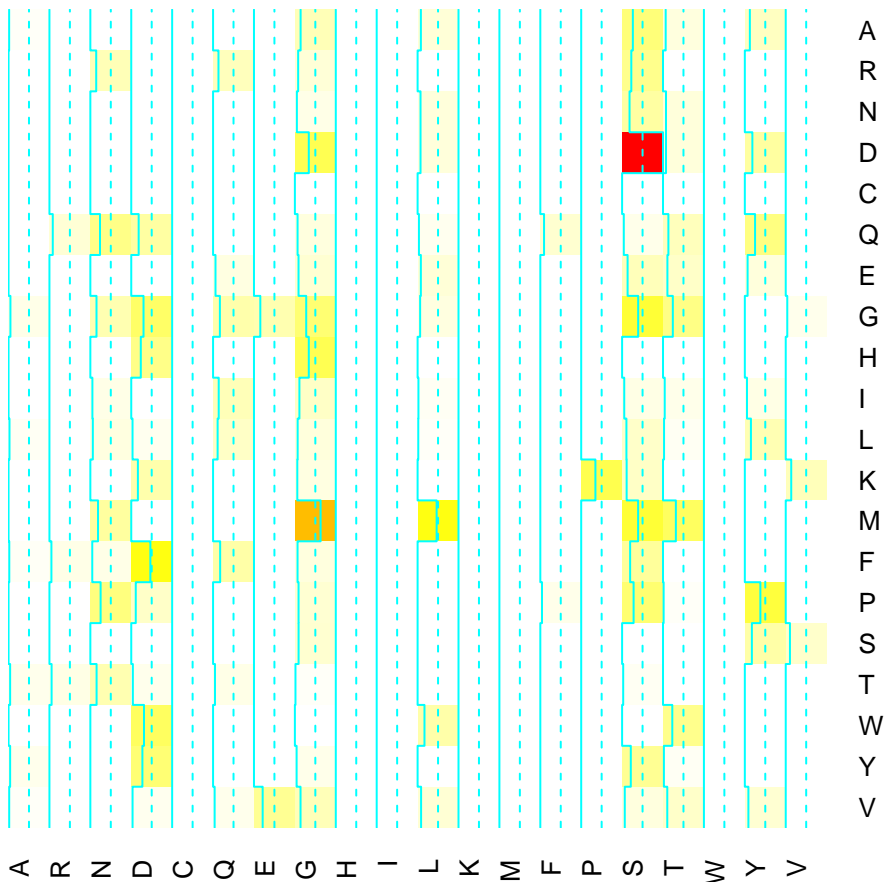

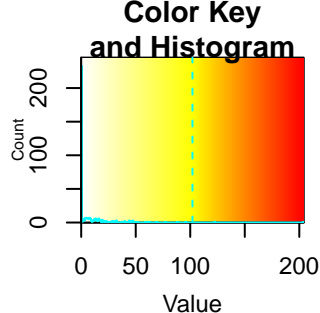

Interaction matrix for amino acids in alpha chain (reordering allowed) (peptide – vertical)

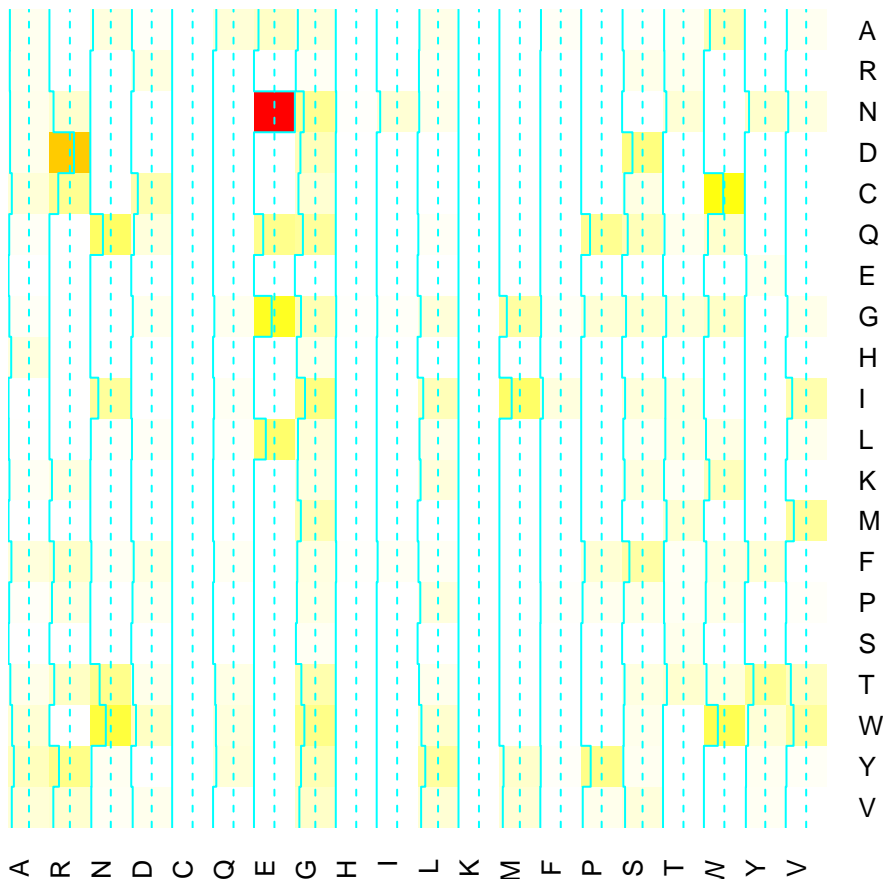

Normed matrix in alpha chain (peptide – vertical)

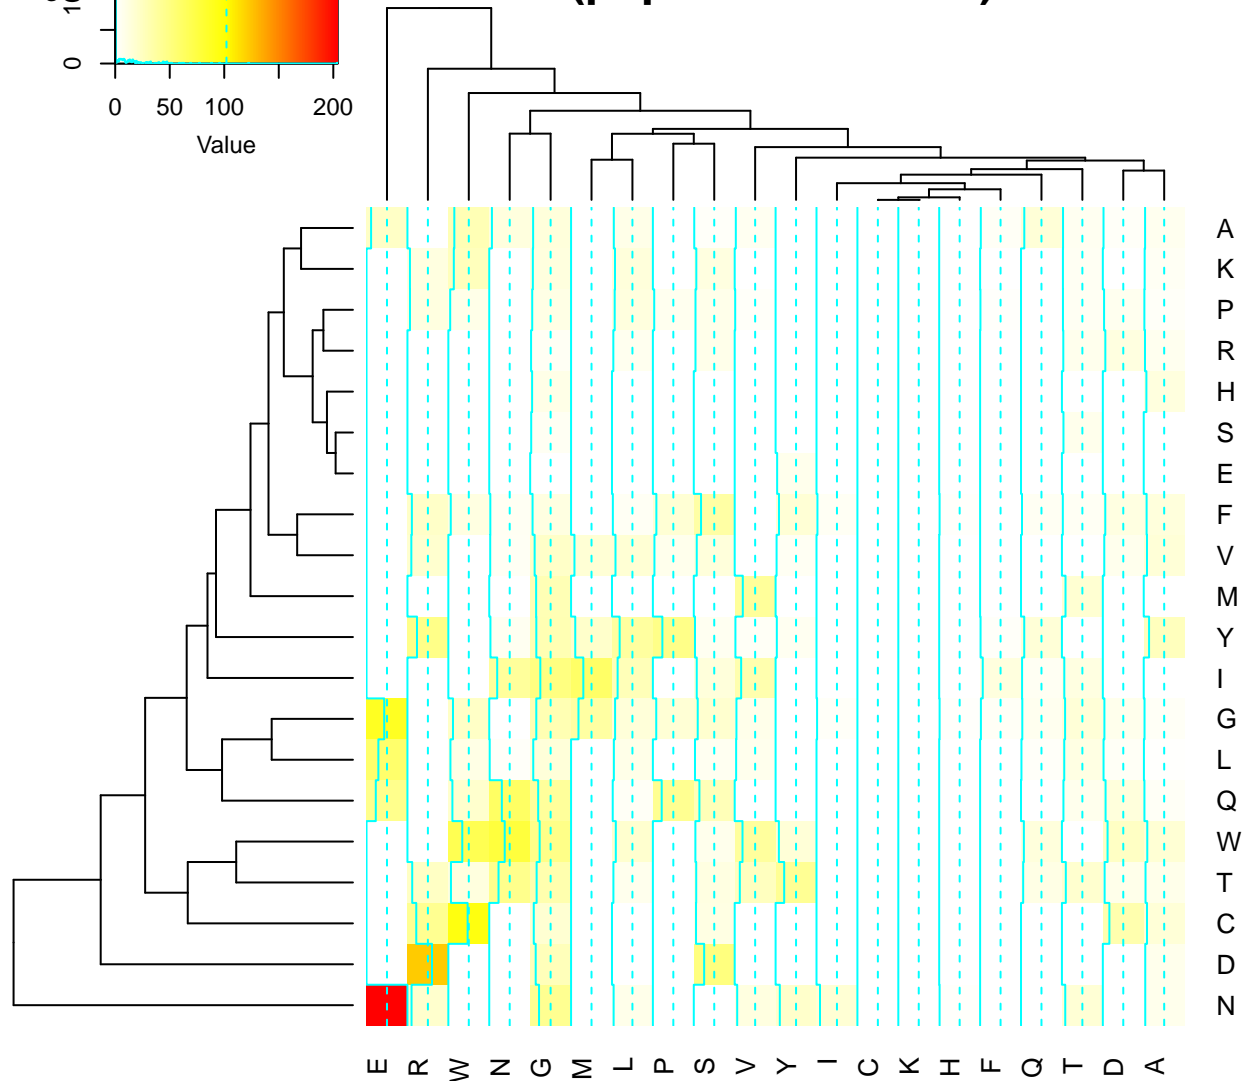

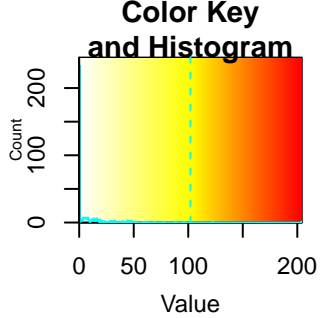

Normed matrix in beta chain (peptide – vertical)

Normed matrix in beta chain (reordering allowed) (peptide – vertical)

Normed matrix in alpha chain (reordering allowed) (peptide – vertical)
